

# MY WATER ADVISOR™

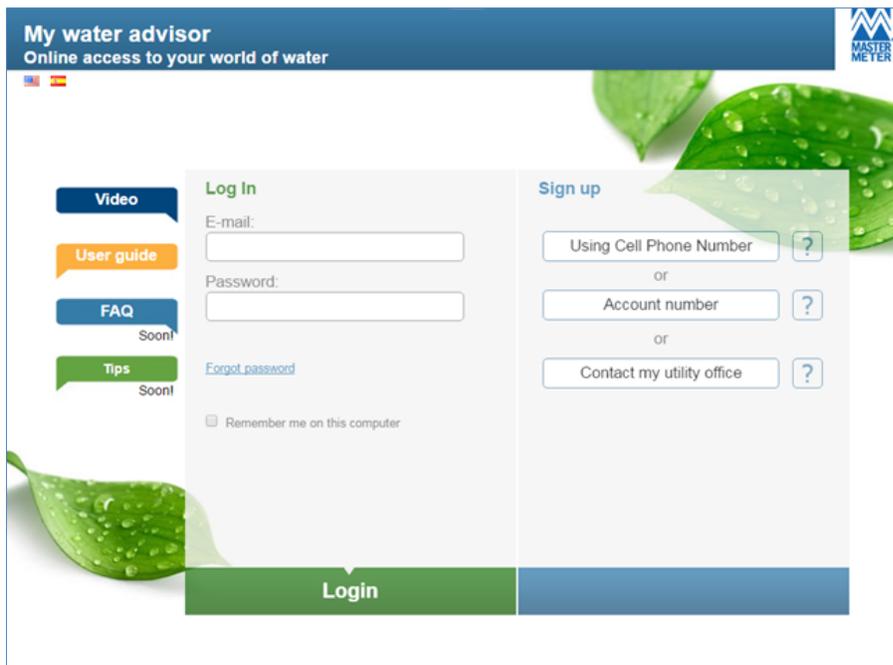

## USER GUIDE

The screenshot shows the 'My water advisor' website interface. At the top, there is a blue header with the text 'My water advisor' and 'Online access to your world of water'. To the right of the header is the Master Meter logo. Below the header, there are two small flags (USA and Spain). The main content area is divided into two columns. The left column contains four buttons: 'Video', 'User guide', 'FAQ', and 'Tips'. The 'FAQ' and 'Tips' buttons have 'Soon!' written below them. The right column contains a 'Log In' section with 'E-mail:' and 'Password:' labels, each followed by a text input field. Below these fields is a link for 'Forgot password' and a checkbox labeled 'Remember me on this computer'. To the right of the 'Log In' section is a 'Sign up' section with three options: 'Using Cell Phone Number', 'Account number', and 'Contact my utility office'. Each option has a question mark icon to its right. At the bottom of the 'Log In' section is a green 'Login' button, and at the bottom of the 'Sign up' section is a blue button.

## CREATING AN ONLINE ACCOUNT

### Sign Up Instructions

Utility customers can easily create an account through My Water Advisor's online portal by following these simple steps:

A screenshot of the 'My water advisor' website. The header includes the text 'My water advisor' and 'Online access to your world of water' with a small Master Meter logo. Below the header, there are navigation links for 'Video', 'User guide', 'FAQ', and 'Tips'. The main content area is divided into two sections: 'Log In' and 'Sign up'. The 'Log In' section has fields for 'E-mail:' and 'Password:', a 'Forgot password' link, and a 'Remember me on this computer' checkbox. The 'Sign up' section has three options: 'Using Cell Phone Number', 'Account number', and 'Contact my utility office', each with a question mark icon. A large green 'Login' button is at the bottom of the form area.

**Please NOTE:** The sign-up feature that allows you to create an account by using your cellular phone number, is not available at this time.

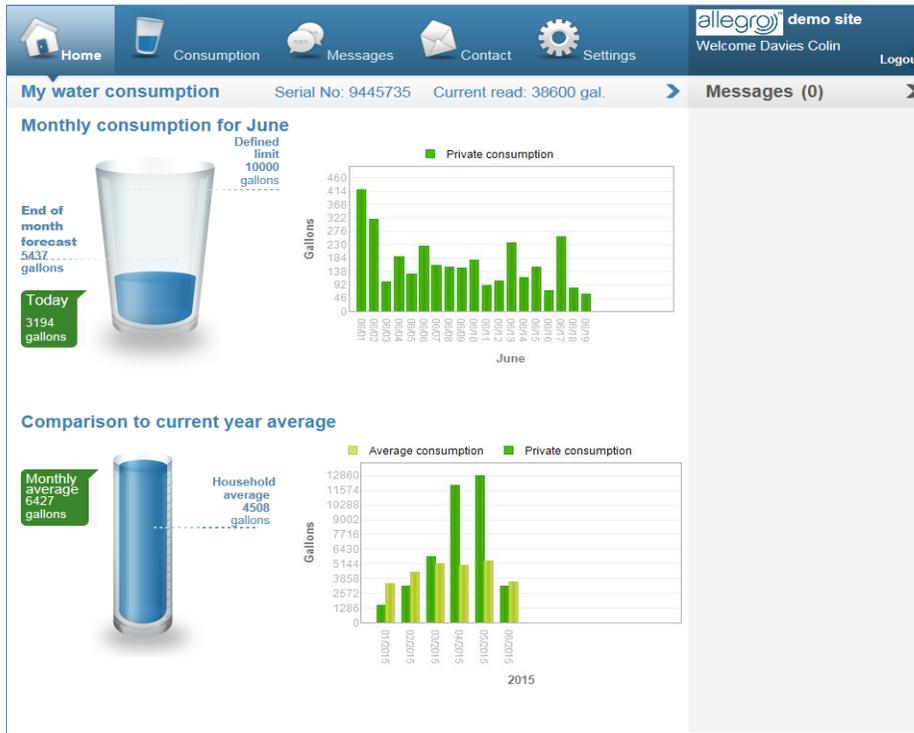

1. Click on the **Account Number** field, located in the **Sign-up** Window on the right portion of your screen.
2. Once selected, a new **Sign Up** window will appear. Enter your **Account Number**, as well as your **First name** and **Last name** currently listed on your water bill.
3. Enter a valid **Email Address** and create a **Password**

Once registered, you can access your account by computer or smartphone using your email and password

# MY WATER CONSUMPTION

## Monthly Usage Data

Once logged into your account you will be able to view your average **Monthly Consumption**, gain insight into your average household usage, be provided with an **End of Month Forecast**, as well as a comparative **Monthly Average** based on your current consumption behavior.

# GENERAL SETTINGS

## Personal Alerts Preferences

The screenshot shows the 'Settings' page in the Allegro demo site. The navigation bar includes Home, Consumption, Messages, Contact, and Settings. The user is logged in as Colin Davies. The 'Settings' menu is open, showing options for General settings, Change password, Set future holiday, and Messages (0). The main content area is titled 'In order to receive precise information specifically for you, please enter the following details:'. It contains a section for 'Consumption limit (gallons)' with a text input field containing '10000'. Below this is the 'Alert settings' section, which explains that real-time alerts will be given on the site and can be received via e-mail and/or text message. A table allows users to select notification preferences for three subjects: 'Above maximum consumption', 'Leak', and 'Consumption During Vacation'. The 'Leak' row has the 'E-mail' checkbox checked. Below the table is a text input field for a cell phone number. A large blue 'Save' button is at the bottom of the form.

**In order to receive precise information specifically for you, please enter the following details:**

These settings will serve to provide data and make relevant comparisons for you:

Consumption limit (gallons):

**Alert settings**

Real time alerts regarding your water consumption will be given on the site . In addition, it is also possible to receive alerts by e-mail and/or text message:

Subject	E-mail	SMS	
Above maximum consumption	<input type="checkbox"/>	<input type="checkbox"/>	?
Leak	<input checked="" type="checkbox"/>	<input type="checkbox"/>	?
Consumption During Vacation	<input type="checkbox"/>	<input type="checkbox"/>	?

Please enter your cell phone number:

**Save**

Easily customize your online account by selecting the **Settings** tab on the menu bar. Once selected you are able to create a personal **Consumption Limit** and enable real-time **Alert Settings** via **E-Mail** or **SMS** by simply selecting your preferred notification preferences and entering your cellular phone number.

## MESSAGE CENTER

### Contacting Your Utility

#### Contact utility

Here you can get answers from your utility

Subject

Content of message

#### List of previous messages

**Leak Alert**

**Question** How do you recommend I find the leak?  
10/04/2016 00:12

**Response** Hello and thank for your message. We recommend you take a look at the read on your meter then close any water source on your property. Take a look at the reading on the meter afterwards and if any usage has occurred, try to find another source that might be consuming water (toilet, outdoor faucet, dripping sink, etc). If you still cannot locate a source, we suggest you contact a plumber to investigate further.  
10/04/2016 00:17

Send direct messages to your utility through the My Water Advisor portal by simply clicking on the **Messages** tab located on the menu bar.

Responses from your utility can be accessed via email, My Water Advisor's online portal, or through your mobile phone app. Viewable items include;

1. Meter or system alerts (water leaks, irregular consumption, consumption during absence, etc.)
2. Direct messages from the utility customer to all user
3. Specific messages to you or answers to your questions

## AVERAGE DATA USAGE

### Personal Consumption Behavior

Dive a little deeper into your current water consumption behavior by clicking on the **Consumption** tab located in your menu bar. Here, you are able to view your current monthly water consumption. You can also access past history on a **Monthly, Daily, Hourly or Yearly** basis by selecting one of four tabs located in the **Consumption** menu window.

The consumption charts default to display your monthly usage. You can select a specific range of months and click **Show** to view only that data or you can click the **Daily** button to search and view usage for specific dates, such as your utility's specific billing period or a date range when you suspect your usage was abnormal

## COMPARATIVE USAGE

### Personal Consumption in Context to Others

This exciting feature produces powerful conservation effects because as a homeowner, you can now understand how your personal consumption footprint is relative to an average of other ratepayers within your area.

To access this feature, select the **Comparison to Average** tab located in the **Consumption** menu window.

## MY WATER ADVISOR ALERTS

Keeping you informed

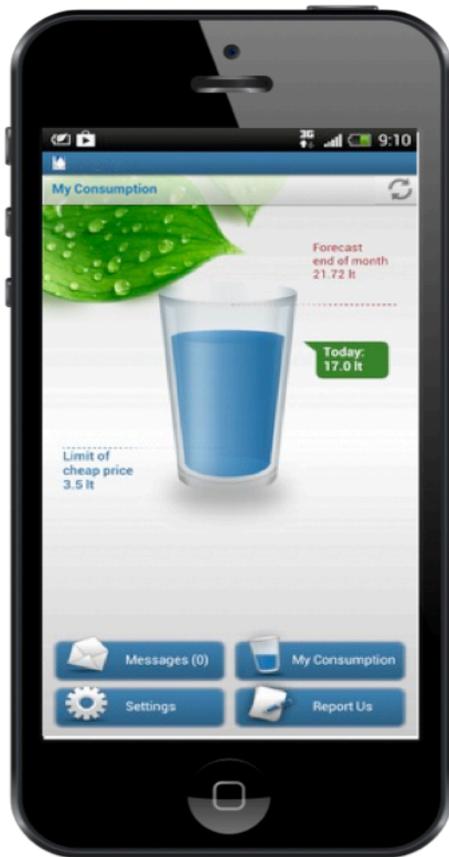

Once your Alert Settings are personalized My Water Advisor will begin sending you direct alerts to help you conserve water and save money. These personal alerts include:

1. **Suspected Leak** – An alerts sent directly by the meter when a continuous 24 hour consumption is detected.
2. **Consumption Above Average** – This alert is activated if there is irregular water usage compared to your same period's average the previous year.
3. **Consumption Above Maximum** – Activated when water usage is above your consumer-defined limit.
4. **Consumption While Absent** – Receive a water usage alert during a specific time frame by defining an absence or holiday time period.

## MY WATER ADVISOR APP

Available for Download

My Water Advisor's mobile app is available for both iOS and Android and features include leak and budget alerts, as well as text notifications. To download this app simply enter **My Water Advisor** into your **App Store** search engine.

Enjoy Saving Water!

For questions or service, please contact your local utility company or water supplier.
