*(Max Duration for Drive By Units is 60 hrs per week. 12 hrs per day.
Default set for M-F 7am - 7pm)

Internal Use Only

Sales Order: _____   Purchase Order: _____

Selecting the correct register resolution is very important to ensure consistent and correct readings with your AMR/AMI system. Please carefully complete this form to aid in the proper assembly and programming of your Interpreter product. Master Meter strongly suggests using the listed defaults per AWWA Standards.

Note: Once the order is entered, cancellation or changes may be subject to additional charges.
